Submitted with reference to our Endorsement No. 20000/C, dated 3-10-1953 p. 7 ante.

The Public Prosecutor, Kanara in his reply (p. 9 ante) has explained the circumstances under which his claim for Rs.87-15-0 has remained to be drawn for want of Court Certificate. Such certificate could not be obtained as the P.P. for the reasons stated by him in his letter at pp.12 ante could not reach Kumta to attend the Court on 13-8-1953, the date fixed for hearing in Criminal Case No.204/1953. The other claims on the subsequent days of hearing as supported by Court Certificate have been drawn by him. In the absence of the Court Certificate the Treasury Officer requires the claim of 12th and 13th August 1953 on account of ta. to be countersigned by Govt. In the circumstances the Bill may be returned duly countersigned. The claim is in order.

2. I had originally submitted a single bill for the amount of R.87-15-0 now claimed as also for the subsequent journey undertaken on 24th and for the attendance of the Court on the 25th. This Bill was returned to me by the Collector on 16-9-1953 because of the objection that the journey dated 12-8-1953 was not supported by any certificate. That was the only Bill due to me in that month. Hence I consulted the Treasury Officer who told me that my Bill as to the 2nd journey of 25th August 1953 could be cashed as there was no objection regarding that Bill. Hence I referred the matter to you only as regards of the journey of the 12th and the 13th. As regards the 2nd journey of the 25th there was no technical objection of any sort and therefore the D.M. countersigned my Bill and I have drawn my Bill amount for this 2nd journey. Hence that amount has not been included in the present Bill. It may kindly be noted that I had to split up the original Bill under the advice of the Treasury Office and submit the present Bil for R.87-15-0 only because the Treasury Office was of opinion that in the absence of a court certificate, it was for the Government to countersign the Bill, now submitted to you re. the journey of 12th & 13th. All the papers have been returned herewith.

No. 649 of 1953. Karwar, dated 17th September 1953.

Sir,

In the Court of the First Class Magistrate, Kumta I had been appointed to conduct 3 criminal cases. In a Prohibition Raid 3 persons had been arrested. Their neighbours attacked the raiding party, rescued one of the accused and also removed one cap. Hence 17 persons had been charge-sheeted. There were two counter complaints. One was filed by the wife of one of the accused against the policemen, panchas and one Home Guard who formed the raiding party. The complaint was that they had committed indecent assault on the complainant by dragging her out of her house and for pressing her breasts. I was appointed to defend these accused. There was another complaint filed by one of the 17 accused against the panchas and the Home-Guard that they had illegally detained the complainant and beat him. I was appointed to defend them. All the 3 cases had been fixed on 13-8-1953. It was mid-rainy season. Kumta is 42 miles from Karwar. There are two rivers in between Kumta and Karwar. There are no bridges to these rivers. One has to cross these rivers in a jungal (platform affixed to boats) . There are platform on each side of the river.

In order to attend the Kumta Court I left Karwar on the 12th at 3 P.M. When I covered a distance of 24 miles from Karwar I learnt that the Ulwara ferry was in heavy floods. This river is only about 2 miles away from that place. When I went forward I found that between mile No. 25 and 26 water had accumulated on the road to a great height and it was impossible to ford through the water. I had therefore to come back 5 miles and camped at Ankola that night, hoping that the floods would come down during the night.

Early next morning at 5-30 A.M. I left Ankola and reached Ulware at 5-45 A.M. But there I found that the plat-forms to which the jungal was to be tied were submerged.

The jungals could not touch the plat-forms. Even the stones fixed for tying the ropes were submerged and no boats could ply. I waited there for 2 hours, but the water level did not come down. At about 8 A.M. the boatmen told me that there was no chance for the water level to come down as the high tide had set in. Hence I had to come back to Ankola where there is a police-station and there is also a telegraph office. I arranged to deliver a wire addressed to the magistrate but the post-master told me that the telegraph line was not in working order as some telegraph posts had fallen due to heavy rains and winds. However I delivered this wire copy of which is marked 'A'. As this telegraph line was not working I wanted to arrange sending a wireless message through Kumta Police Station. I arranged to send this message. The magistrate has acknowledged my wire and wireless message in his letter dated 13-8-1953 marked 'B'. I returned to Karwar the same day and addressed a letter to the Magistrate,F.C. Kumta copy of which is marked 'C'. The case was adjourned.

I submitted my Bill for this journey upto Ulware to the D.M.Kanara ~~xxxxxxx~~ with my letter marked 'D'. But the local Treasury Officer raised an objection that such a Bill cannot be countersigned by the D.M. under the B.C.S.R. rules and that this is a matter to be referred to you. Hence my bill has been returned by the D.M.

You will be pleased to observe that I did undertake the journey upto the ferry and I had done all that was possible to reach the Court in time by making a second attempt. But on account of vismajor I could not cross the two rivers which was in floods. In these circumstances my Bill for the journey undertaken will have to be sanctioned. Although there is no specific rule in the B.C.S.R. it does not mean that I should ~~xx~~ not be paid for the journey undertaken or ~~xxxxxx~~ to draw the fees for the two days undertaken by me. My impression is that it is D.M. who has to use his discretion in such matters. My Bill submitted to him on the 31-8-1953 has been returned to me on the 16th instant and I have been asked to make this reference directly to you. Hence I have

63

submitted these papers to you. I request you to countersign the accompanying Bill in view of the peculiar circumstances stated above.

Yours faithfully,

Public Prosecutor, Kanara.

The P.P. Kanara, submits a t.a. bill for Rs. 87/- under rule 24 L.O. (C. of S.) Rules to and fro Ankola when proceeding to attend the Court at Kumta for conducting Criminal Case No. 189 of 1953.
